Captains Report May

Hi members, hope you have been enjoying the excellent course conditions over the past few months as we transition over to the colder months!

We started off the month with a sign of things come. Congratulations to Harvey Lewin on winning the April Monthly Medal, shooting a brilliant 65. And those of you who don't know Harvey, he comes down to the club after school & other sports practices to work for the boys in the Pro Shop and then goes out & work on his game! He had his first season representing the club this year in Northwest Region Pennant. So, if you come up against him in club competition, be prepared!

April is the month we run the BM Open, which this year was taken out by former member and 2-time Club Champion Jake Longhurst, shooting a brilliant 1 under par 71. The course was at its prime, and we thank Michael Emery, his staff & all our volunteers who helped him get the course into that condition. We probably should also mention our very own Pro, Brodie Richardson who was ineligible to win, but eligible for a course record if he was good enough to shoot one! Which he did! With a not bad 69. I'm sure that will give Connor motivation to try & beat him next year!

This month our major focus turns to the Captains Putter on the 17th which is a stroke event off the black tees and on the 31st will be our first 4BBB Gentsomes for the year. Further details will be provided closer to the date for those that haven't played it before! Along the lines of a 2-man Ambrose but a bit harder. So, start lining yourself up a partner, but only one 9.9GA Handicapper per pair.

And finally, a bit of important stuff! Every walk of life has rules, and for a reason! The amount of people driving carts within greens, behind ropes & beyond cart signs is not on! People spotted doing so, by greens staff, or other members, will be reported and will become accountable! When dry it kills grass, when frost is present the same applies & when wet it leaves impressions! Carts must NOT be taken within 20 meters of a green. Also, not everyone can find their own pitch marks on a green, so when walking to your ball or waiting to putt please search the green for pitches to repair. And there is always enough sand provided to fill buckets, so at WORST, please fill your own divot!

Oh, and one other thing, I'd just like to wish my trusty side kick & Vice Captain, Darryl Stephenson a very Happy 60th Birthday. Enjoy it mate, you only ever get one of them, and a few more to celebrate after that, if you're lucky!

Cheers Danny

IMPORTANT INFORMATION!

Dear Club/Member,

*A reminder to all members to check the notice board outside the Golf shop for updates on local rules before you go on the course to play.

a) Players need to check in no later than 15 mins before their hit off time. Failure to do so may result in the player losing their tee time

b) Please have the courtesy to ring the pro shop and let them know if you are not going to play.

It is unacceptable to just let a friend know. The pro shop staff need to know, and it is the players responsibility to let them know.
