Message from the President

Dear members,

You will have received the information regarding an upcoming EGM.

It is vital that we have a quorum for this meeting as we need to discuss the possibility of the club subdividing the course, the area in question being the clubhouse and car park.

The club is currently carrying debt that we are unable to furnish and, although we are able to survive, we cannot move forward without some form of partnership or funds injection.

Much work has been done behind the scenes to find a fair and reasonable solution to the problem but members need to approve any proposal before it can be adopted.

Please be assured that you will all have the opportunity to vote on any proposed changes.

The aim of the current board is to put forward a plan that will allow the club to instigate improvements to the clubhouse and for the course to be able to realise its full potential.

Thank You

Michael

Captain's Report July 2025

Hi members, hope you're all fit and well and found a warm place!

Starting off with some results, our May Monthly Medal winner was won by Ray Hocking! With a 68! Is that right! Actually, I checked, it was! Well done Ray and right on par with all the other winners this year. May was also the Captains Putter which was won by Rob O'Flynn (which included a hole in one on the 16th) and putting was won by Chris Johnson with 27 putts, well done guys.

June saw Colin Mettrick take the monthly medal out with a very sharp 69. Good to see some of the old boys putting their hands up. Keep up the good work. Also in June was the first round (of 4) for the Stableford 66ers, played over 4 consecutive months. We are also eagerly awaiting a result of the 4bbb match play knockout final, the contenders have been decided, Nick Lyons and George McGuinness will be playing Peter Caple and Michael Belia. Match needs to be completed by Saturday 5th July. Good luck guys and may best team win!

SCORING:

As complex a game as golf is, one thing that shouldn't be too hard is scoring! Most games revolve around strokes taken and being recorded either on the app or a scorecard and then doing the same for your playing partner! The Pro shop has reported a number of errors on cards, some corrected, some not! Going forward, there will be no grace to any members signing or not signing, an incorrect scorecard! It often may be someone not being bothered to adjust the score, a simple calculation error or even a new member who may not be sure! Please seek the advice from the boys in the shop, or maybe just asking another member nearby for help. We also encourage new members to seek out other members and play with people you may not normally play with. This can expose you to rules you may not know or haven't come across and certainly help with any questions you may have! Over the next few months, I will ask the boys in the Pro Shop to save me a single slot of 4 players, and I will put my name in and anyone wishing to, can book to play with me by calling the Pro Shop to be in that slot. Just to get to know you or help in any way I can! You won't be able to book it via the app. Anyone still handing in incorrect scorecards will be brought to my attention and I will go through it with you to try and correct these issues. Everyone needs to be on the same page.

All the best, see you out there soon.

Cheers

Danny Robinson

IMPORTANT INFORMATION!

Dear Club/Member,

*A reminder to all members to check the notice board outside the Golf shop for updates on local rules before you go on the course to play.

a) Players need to check in no later than 15 mins before their hit off time. Failure to do so may result in the player losing their tee time

b) Please have the courtesy to ring the pro shop and let them know if you are not going to play.

It is unacceptable to just let a friend know. The pro shop staff need to know, and it is the players responsibility to let them know.

Regards
