Captain's Report

Hi Members, May sees us nearly halfway through the year and we kicked off the month early with our Medal on the 2nd. This month it was taken out by Rick Haley with a tidy 67. It was also the qualifying for the D Robinson Gross Matchplay, which sees the 8 lowest gross scores on the day, that list their names on the sheet in the pro shop, to qualify to play Match Play knockout, where Hcp's don't apply. Any event that includes the word "qualifying" requires you to list your expression of interest to qualify and to then meet that commitment. It's the reason qualifiers are asked to list their name, so draws aren't spoilt by time wasters not knowing what or why they qualified for something or giving the excuse they didn't know they qualified! If you want to qualify, ask questions, ensure you are qualified to play and what the conditions of the event are, and if so, PUT YOUR NAME on the qualifying list. Having said that there are only 8 qualifiers for this event and the event is played over 3 consecutive weeks to decide the Champion. This year's winner was Scott Campbell, congratulations Scotty on winning 3 consecutive matches including Tyson Burns in the final. Speaking of qualifying, the 4BBB Matchplay knockout got underway this month and your first-round matches should be complete. Saturday 23rd was the Captains Putter, and this year's winner was Darren Fowlie with a scintillating 64! Well done Darren and the Putting was taken out by Max Lubis on a countback with 25 Putts.

Looking forward through June and Saturday 6th kicks us off with Monthly Medal, which also contains QUALIFYING for the Winter Cup Match Play knockout. It is also the final round of the Saturday Men's Eclectic, so a Gross & Nett winner will be declared after 6 months. And for those not up to speed, on the 2nd page of the Dashboard in the One Golf App, there is an Eclectic tab.

The 13th starts the 66ers stableford event. It is 4 rounds of Stableford over 4 months where your best 3 rounds count to find the best 3 round nett score. Any male members can play in this, but as it's a board event, you must meet standard qualifying conditions to win it. The final 2 weeks of the month are the Mixed Foresomes, played over the 2 Saturdays. This is once again becoming popular, so round up a male or female partner and there will be list in the Pro Shop this week sometime, and you need to put your name on so a field for the competition can be set.

Thanks to those that stepped forward to do this coming month's BBQ. The list for the rest of the year is on the notice board in the Pro Shop, there are still slots to fill, so please get yourself a buddy and do your little bit to help out.

It's also encouraging to see less pitch marks on the greens and there is also improvement in the raking of bunkers. They are being freshly raked weekly towards the end of the week, so to keep them good for everyone's main day of golf, Saturday's, please do your part no matter how big or small a mess you leave! Boys in the Pro Shop need to continue mentioning course etiquette to green fee players, and us as members need to remind our fellow members what to do if a raking or divots are fixed when they should be. It needs to become habit for us all.

Great to see our numbers rising and as always, please be helpful & encouraging to new members. Hope to see you all out there soon.

Cheers Danny

IMPORTANT INFORMATION!

Dear Club/Member,

*A reminder to all members to check the notice board outside the Golf shop for updates on local rules before you go on the course to play.

a) Players need to check in no later than 15 mins before their hit off time. Failure to do so may result in the player losing their tee time

b) Please have the courtesy to ring the pro shop and let them know if you are not going to play.

It is unacceptable to just let a friend know. The pro shop staff need to know, and it is the players responsibility to let them know.

Regards
Match Committee
